The Class of 2014 would like to dedicate this yearbook to **Daniel Correia**

Whether you see him as a teacher, a coach, an adviser, a friendly face in the hall or a friend, Mr. Correia is a familiar fixture to all at Silver Lake. He has been there for all of us in his own way and is always available for help. Day after day, Mr. Correia can be found in his classroom before school helping his students, on the soccer fields coaching a winning team, or in his room holding a class meeting. His tireless devotion to our student body and especially our class is exceptional. Through the years as the class of 2014 adviser, he has sold prom tickets, arranged Mr. Silver Lake and Silver Lake's Got Talent, organized candy cane fundraisers and watched countless rehearsals of homecoming skits. It is also crucial to mention Mr. Correia this past year coached our varsity soccer team to become the 2013 South Sectional Champions. Hundreds of the student body, especially our class, went to their games to cheer him on as he led the team in victory after victory. One also could not forget the great teacher he is to all. Mr. Correia is truly always there for his students, especially us seniors. No matter what, he wants all of us to succeed. Even as a past student, you are always welcome to return to his room to enjoy his sarcastic demeanor, and talk to him not as a teacher, but as a friend. Overall, Mr. Correia's passion and love for our class has made us who we are today and makes him the ideal person to dedicate our yearbook to.

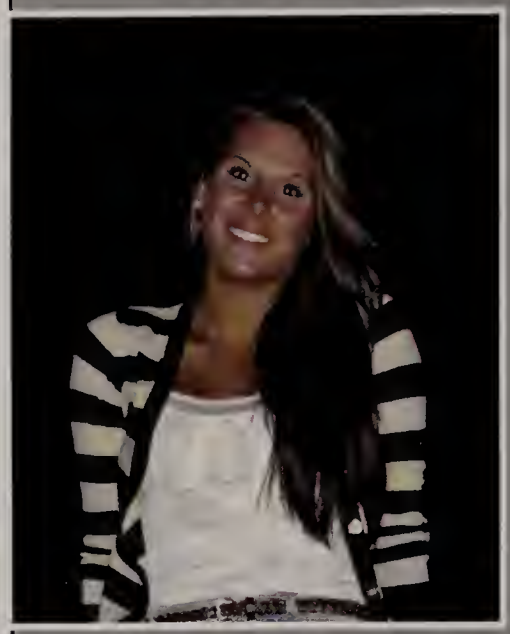
Remembering the past...



Congrats Class of 2014! We have finally made it through twelve years of school and now just moving onto bigger and better things with our lives. I hope this yearbook has captured memories from the past. As we move our separate ways we will always have this yearbook as a reminder of some of the best years we have had. Enjoy and good luck with whichever path you choose to take!

Sincerely your editor,
Isabella Cogliano

Wow, guys. I can't even believe we have finally made it, and I can honestly say there is no other group of people I would have rather spent the past twelve years with. It is nearly impossible to sum up our class and the journey we have now completed together in a simple paragraph or book. But first of all, congratulations! All of our hard work has paid off and ahead of us lie the brightest of futures. I know we will all find success and happiness in everything we do. And remember going into this big world to always be proud of who you are and where you came from. Your future starts with your past. Thank you for the best experience and I hope you love our yearbook.

Alyssa Goodwin

Congratulations Class of 2014! I can't believe that our time together at Silver Lake has come to an end. As we take the next step in our lives, I know that each and everyone of us will succeed in whatever path we choose. I hope you enjoy our yearbook and that it reminds you of all the great memories we have shared together. It has been a pleasure being your yearbook editor and I am so lucky to be apart of this class. I wish all of you nothing but the best in the future. Thank you for the for the past twelve years!

Abby Haugstad

We would like to thank Mrs. Fontaine and Mr. Pina for everything you have done for our yearbook and our class.

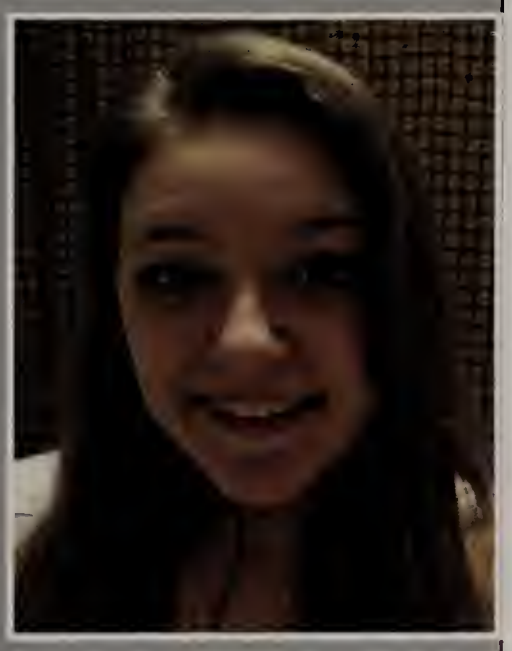
...and moving on to our future

No matter how many opportunities you miss or how slow you progress, you are still way ahead of everyone who isn't trying. As we go forward with the rest of our lives I hope you will be able to look back on this yearbook and reminisce on all the great times we have had together. Our class will always leave footprints in the halls of Silver Lake. It was an honor to be your yearbook editor and take part in creating a book that holds all your fond memories. I wish you all the best of luck in the future! And remember, if you have a dream, you have to protect it.

Congratulations Class of 2014!
Brandi Kashi

Congrats Senior Class! All of our hard work has paid off! It is such a great feeling to know that our turn has finally come to receive our degree and start the next chapter in our lives. Wherever we end up in life I know we will never forget the friends and memories that we have made throughout the years. And as you leave here for the start of your new life, don't forget to remember those who taught you all you know, and helped you every step of the way. As happy as we all are to be saying hello to a new life, it is truly sad to be saying goodbye. I will never forget the wonderful times I have had with all of my classmates and all of the friends I've made. I wish all of you good luck on your future and hope high school was as rewarding for you as it was for me.

Best of Luck! ~ Olivia Ketchum ~



There is no simple way for me to say goodbye to you all. Most of us have known each other since elementary school and it's crazy to think that our time together has finally reached the end of the road. As our future approaches, I hope that none of you ever back down from something that you truly want. Thank you for all the memories you have provided me; I couldn't have asked for a better class to share them with. Congratulations Class of 2014, we finally made it!!

Class President
Kendra Carley

Class of 2014, we have done it. With all our hard work, we have reached the completion of our high school years. We have left a mark on this school by being an unforgettable class and Silver Lake has left a mark on us all. Whether it was everlasting friendships, skills learned, or solely growing as individuals- throughout the course of our middle school to high school years together, we have remained as one and developed a sense of comfort and accomplishment as a class. We have consistently demonstrated our ability to succeed and to excel in whatever challenges we face.

I know the future will consist of many open doors for everyone and I encourage you to not hesitate to jump on any great opportunity that comes your way. We have all matured into well-rounded adults and there is no doubt in my mind that every member of this class will be able to pursue any goal or desire they will have. It has been a privilege serving as your class president and I would like to thank you for an exceptional four years. Good luck to everyone and congratulations. We have finally made it!

"Excellence is the gradual result of always striving to do better." - Pat Riley

May the good Lord be with you
Down every road you roam
And may sunshine and happiness
surround you when you're far from home
And may you grow to be proud
Dignified and true
And do unto others
As you'd have done to you
Be courageous and be brave
And in my heart you'll always stay
Forever Young, Forever Young
